

## Eva's Holiday: The Tree Ring

ISBN 978-1-84717-280-8

O'BRIEN

(Read page 134)

Unknown to Eva, Hans, one of the German tourists is also an artist; he decides to sketch a picture of the scene with everyone standing in a circle around the tree holding hands.

Afterwards he presents the drawing to Eva as a gift. He has drawn it using pencil only and has placed Eva at the centre of the drawing with a very determined expression on her face.

Do you think that you could recreate the drawing that he did?
