

## OUR SCHOOL'S DAY AT CROKE PARK

Cumann na mBunscol have organised a ten minute exhibition match for the half-time interval during the All Ireland football final. Your school has been offered one of the places!

Your school will have a page in the official match programme and will also receive complimentary tickets. You have been asked to design your own complimentary tickets for the occasion.

**Decide what to include on your programme page and design the ticket for your school.**

Your page could have information on:

- The team, team notes and analysis of how they might play
- The school details
- Any former pupils who played Gaelic Games. Did any play for the County?
- Reactions of your family members to the news that your school will play in Croke Park
- Accounts of any previous important games that the school was involved in.
- A goodwill message to the opposition wishing them luck.

What do you think should be on the tickets? Have a look at an old ticket and decide what kind of information needs to be present. You could include details about your school and the day itself.

**Use the box below to draw the ticket you've designed.**
