

ALFIE GREEN: BURIED TREASURES

Oh no! Alfie has discovered that his memories of Arcania are beginning to fade. Soon there will be none left. Luckily the Wise Old Plant knows what to do.

He has told Alfie to collect something from every story to help him to remember what happened, and then bury each object beneath the Crooked Tree.

Help Alfie to choose items from each book. Use the box provided to make a list of what you've selected. Explain why you've chosen each one and how you think it will help Alfie to remember the adventure it comes from.
