

WILD DUBLIN

Exploring Nature in the City

This is my tree

These are pictures of two trees.

- * What do you notice about the trees?
- * If you look carefully at each of them, what can you see and what does it tell you?
- * What differences can you see between them?
- * Where do you think each of the trees might be?

Can you try to imagine how a child might spend their day in the shadow of each of the trees? What sort of things might they do?

For further research you can go to

www.trocaire.org/storiesofchange

www.trocaire.org/en/resources/primary-school

Can you use the boxes below to write a short report of a day in the life of a child of your own age who might live beside each of the trees?

Today I will ...
