

CHAPTER 1

Willow Witch

Willow Witch lives in a **haunted** house on top of Witchy Mountain.

She has a pet cat called **Spooky**, who is her best friend in the whole, wide world.

She goes to Cobwebs Junior School where she has a **spell** book instead of a spelling book.

There are lots of different types of spells.

There are:
smelly spells,

chilly spells,

fizzy spells

and

dizzy spells.

And many more.

Willow Witch sometimes **forgets** her spells.

Her backward ones go forward ...

and her forward ones go backward.

One day Willow was having trouble at school.

‘No, no, no, Willow!’ cackled Miss Wart, her teacher. ‘That’s **not** the way to spell.’

Willow was waving her wand all over the place and making a **magic mess**.
