

Eva's Holiday: The Police Report

ISBN 978-1-84717-280-8

(Read page 19)

When the policeman stopped Eva's dad, there was a long explanation before he was convinced that Eva was not being kidnapped.

Because there had been a complaint and it had taken up so much of his time, he had to write an official report.

Do you think that you could recreate the report that he wrote? Do you think he was annoyed or did he see the funny side eventually? Perhaps he recorded some of the comments made by Eva or her parents?

You can use the template provided to write his report or you can create your own template.
