Natasha Mac a'Bháird Your Dream Bedroom

Everybody's bedroom is different

- ★ Ruby's bedroom is covered in ballet posters and everything is pink (Hannah in the Spotlight – pp46-47).
- ★ Laura's bedroom is full of books and she has her own desk for writing her stories (Hannah in the Spotlight – p101).

If you could design your bedroom any way you want, what would it be like? Draw a picture and write a description of the different parts of your room with arrows to the bit you're describing.
