### Natasha Mac a'Bháird Modern Fairy Tale

In *Starring Meg*, Star Club decide to put on a modern version of Cinderella. They make a few changes to the story – they change the main character's name to Cindy, and her fairy godmother becomes a cool aunt instead. Instead of a royal ball, Cindy wants to go to the sixth class graduation disco.

What was your favourite fairy tale when you were younger? Can you write your own version of the story with a modern setting?

Some ideas in case you are stuck!

- ★ Little Red Riding Hood: A girl has to make her way across the town to bring a present to her friend. But a robber is following her and wants to steal the present.
- ★ Hansel and Gretel: Two children are lost in the big city. They try to find their way home – but is the old lady who offers to help them really as kind as she seems?

Now come up with your own story!
